

# Wine Club Helper

## Pick and Place Bottles for Cases and Totes

Using our Mobile Robot Tender Chassis, we harness the power of Kawasaki Robotics Collaborative Robots as a solution for any wine club, beer club and other bottling needs.

## Add Automation to your quarterly Wine Club

- ✓ Positive Grip Tooling for up to 4 bottles
- ✓ One person operation for the line
- ✓ Easy to setup, rolls into position and locks
- ✓ One move every 5 seconds
- ✓ Speeds from 1 to 4 Cases per minute,
- ✓ Speeds determined by product sequence
- ✓ Safe, Collaborative Robot needs no fence

Great addition for Entrepreneurs, Contractors, Medium and Large Size Wineries, Breweries.

- ✓ Save time and grow your wine club
- ✓ Excellent addition to Bottling Contractors
- ✓ System loads on a van or small trailer
- ✓ Requires 220v power to operate
- ✓ Requires source for compressed air
- ✓ 14 month warranty
